6:30 to 8:00 p.m. via Zoom

OSU Extension will be hosting a virtual four part “**Planning for the Future of Your Farm**” webinar series on February 5, 12, 19, and 26, 2024 from 6:30 to 8:00 p.m. This workshop is designed to help farm families learn strategies and tools to successfully create a succession and estate plan that helps you transfer your farm’s ownership, management, and assets to the next generation.

Topics discussed during this series include: Developing Goals for Estate and Succession; Planning for the Transition of Management; Planning for the Unexpected; Communication and Conflict Management during Farm Transfer; Legal Tools and Strategies; Developing Your Team; Getting Your Affairs in Order; and Selecting an Attorney.

The instructors for this series will be:

**Robert Moore**, Attorney with the OSU Agricultural & Resource Law Program. Prior to joining OSU, Robert was in private practice for 18 years where he provided legal counsel to farmers and landowners.

**David Marrison**, OSU Extension Field Specialist, Farm Management. David has worked for OSU Extension for 26 year and is nationally known for his teaching in farm succession. He has a unique ability to intertwine humor into speaking about the difficulties of passing the farm on to the next generation.

Because of its virtual nature, you can invite your parents, children, and/or grandchildren (regardless of where they live in Ohio or across the United States) to join you as you develop a plan for the future of your family farm. Pre-registration is required so that one packet of program materials can be mailed in advance to participating families. Electronic copies of the course materials will also be available to all participants. **The registration fee is \$75 per farm family.** The registration deadline is January 22, 2024. More information and on-line registration can be obtained at [go.osu.edu/farmsuccession](https://go.osu.edu/farmsuccession)
