Ag Issues Webinar

CFAES

Tuesday, December 13, 2022

This six-hour webinar is taught by Greg Bouchard, Tax School Director for Cornell University. Greg is one of the top instructors in the industry when it comes to agricultural tax issues.

This webinar focuses on issues specific to farm tax returns related to agriculture and natural resources and will highlight timely topics and key regulations.

The program is an intermediate-level course for tax preparers whose clients include farmers and rural landowners. Farmers who prepare and file their own taxes will also benefit from the webinar.

Registration includes a workbook that will be sent to all registrants prior to the webinar.

Webinar Topics include:

- Hot Topics in Agriculture
- Taxation of Conservation-Related Payments
- CPA or Attorney Statements for AGI Compliance and Other FSA Issues
- Exiting an LLC
- Depreciation
- Section 179
- Bonus Planning
- Retirement Account Options for Farmers
- Christmas Trees and Nuts and Berries
- Tax Issues Related to a New Farming Business
- Charitable Gifting of Commodities
