

Income Tax Schools

What sets our schools apart? Our dedicated instructors who work in the tax industry! We don't just get you through the class, we get you through the tax filing season.

Our schools are designed for individuals who have some experience preparing and filing federal and state tax returns. They are considered to be intermediate level classes.

Instruction will focus on recent tax law changes and on the issues that you may encounter when preparing tax returns. These qualified instructors will explain and interpret tax regulations and recent changes in tax law.

Registration includes a hard copy of the 600+ page National Income Tax Workbook prepared by the Land Grant University Tax Education Foundation (LGUTEF), access to past workbooks, the opportunity to order the 2022 Checkpoint Federal Tax Handbook at a substantial discount, and 50% off our ethics webinar.

Registration for the 2022 season is open. To register online, click the "Register Now" button below. If you are planning on registering by mail, 2022 registration brochures should hopefully be in your mailbox by the end of August.
