

2025 Ag Issues Webinar

Monday, December 15, 2025

This six-hour webinar will be taught by a team of instructors including Jared Foos, Barry Ward, David Marrison, Jeff Lewis, and Robert Moore. Together, these instructors bring extensive experience in agricultural economics, farm management, law, and tax issues, offering participants a well-rounded and practical perspective on farm tax matters.

The webinar will focus on tax issues specific to farm returns related to agriculture and natural resources, highlighting timely topics and key regulations.

The program is designed as an intermediate-level course for tax preparers whose clients include farmers and rural landowners. Farmers who prepare and file their own taxes will also find the information valuable.

Registration includes a workbook that will be mailed to all registrants prior to the webinar.

Topics Include:

- Timely Tax Issues Impacting Farmers and Ranchers
- Legislative and Regulatory Update
- Farm Lease Tax Issues
- Farm Partnership Tax Matters
- Installment Method on the Farm
- Deducting Residual Soil Fertility
- Healthcare Options for Farmers
- Cost Recovery in 2026 and Beyond
- Selling and Trading Farm Property
